THE GREATEST MEDICAL DISCOVERY of the AGE!

Mr. KENNEDY, of Roxbury, has discovered in one of our semmon pasture-weeds, a remedy that cures EVERY KIND of HUMOR from the worst Screpula down to a common Pimple. He has tried it in over eleven hun, red cases, and never false accept in two cases, both thunder humor. He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two bottles are warranted to cure a nursing-sere mouth.

One to three bottles will cure the worst kind of pimples on the

Two betties are warranted to cure running of the ears and bletches among the hair. Four or six bottles are warranted to cure corrupt and running One bottle will cure scaly eruptions of the skin.

my or three bottles are warranted to cure the most desperate take of rheumatism.

Three to four bettles are warranted to cure saltrheum.

Five to eight bottles will cure the worst case of errofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Nothing looks so improbable to those who have in vain tried all the wonderful medicines of the day, as that a common weed growing on the pastures and along old stone-walls, should cure svery humor in the system; yet it is a fixed fact. If you have a humor, it has to start. There are no ifs nor sade, humor nor ha's, about it, suiting some cases, but not yours. I peddled over a thousand bottles of it in the vicinity of Boston. I know the effects of it in every case. It has already done some of the greatest cure ever done in Massachusetts. I gave it to children a year old, to old people of sixty. I have seen poor, pany, wormy-looking chidren, whose flesh was soft and flabby, restored to a perfect state of health by one bottle.

To those who are subject to a sick headache one bottle will always cure it. It gives great relief in catarrh and dizziness. Some who have taken it have been costive for years, and have been regulated by it. Where the body is sound it works quite easy, but where there is any derangement of the functions of nature, it will cause very singular feelings, but you must not be alarmed, they always disappear from four days to a week. There is never a bad result from it; on the contrary, when that feeling is gone, you will feel yourself like a new posson. I heard some of the most extravagant encomiums of it that ever man listened to.
